A Wayfinder

A leader who knows
goes
and shows the way.

He knows the magic
of shortening the way.
Kwitsatz Haderach.

He helps people
break invisible chains —
habits
that keep the soul asleep.

He reconnects them
to themselves.

To their magic.
To the current beneath the noise.

He reads the zeitgeist
not to follow
but to lead it.

He leads creativity.
He leads harmony.

In his soul,
he was Lakota.

Mitakuye Oyasin.
Everything is interconnected.
